

Vellum Overlay Card with Tape Runner Adhesion

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 19 FEBRUARI 2024

HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant card featuring a delicate vellum overlay with a subtle floral design. Using tape runner adhesion, you'll achieve a professional finish with no visible glue marks, allowing the frosted vellum to showcase its translucent beauty. This technique demonstrates how to securely attach vellum whilst maintaining a clean, sophisticated appearance on both sides of your card.

TIPS UIT DE SHOW

- Everything showing through vellum will be visible, so plan your design accordingly.
- Tape runners are a good option for adhering vellum, though they may lose stickiness over time; reinforce with embellishments if needed.
- Sticks Two tape pens are among the better options for vellum adhesion, though they still require reinforcement with gems or flowers for durability.
