

Retro Wedge Shoe Card with Stencil Layering

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 19 FEBRUARI 2024

OVER DIT PROJECT

Create a vibrant retro-inspired card featuring colourful wedge platform shoes perfect for a disco theme. Using a five-part stencil layering system, you'll build up decorative patterns including flowers, stripes and swirls on the shoes against a glittery disco ball background. The main techniques include stencil layering with ink pads and adding stamped sentiments to complete your fun, 1970s-style greeting card.

TIPS UIT DE SHOW

- The stencils are numbered in the top corner; ensure they are used in the correct order for proper alignment.
- You can mix and match pattern stencils to create approximately 25 different shoe styles.
- The registration hearts are optional; experienced crafters can skip them, but they help beginners align the stencils accurately.
