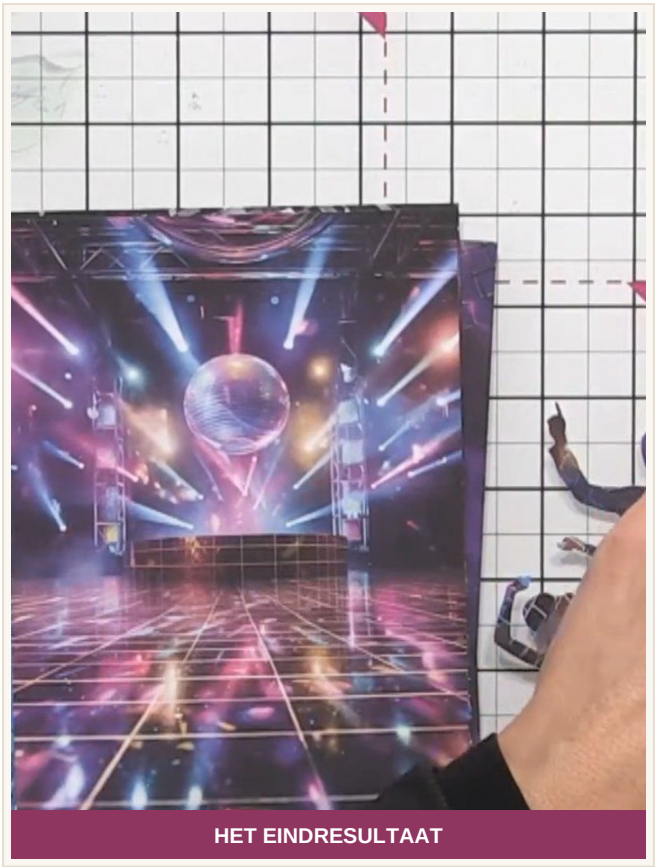
Discovloer-kaart met silhouet-die cuts

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 19 FEBRUARI 2024



HET EINDRESULTAAT

OVER DIT PROJECT

Create a vibrant disco-themed card featuring silhouette die cuts of dancers and flowers against a colourful mosaic dance floor background. This retro-inspired design combines layered die-cut figures with patterned papers in purples, pinks and blues to capture the energy of a 1970s disco scene. The project uses die-cutting, layering and stamping techniques to build a dynamic, celebratory card perfect for birthdays or special occasions.

TIPS UIT DE SHOW

- You can swap out silhouette figures and flowers to create different compositions and scenes.
- Layering figures in different colours creates visual interest without requiring additional stamping or colouring.
