HET EINDRESULTAAT

OVER DIT PROJECT

Create a beautiful keepsake mini album with fold-out accordion pages and side pockets. This simple construction uses scored card to create a structured album that holds photos and memories, decorated with purple and pink watercolour-effect papers and an elegant leafy frame design. The album features a ribbon closure and combines stamping, die-cutting and paper layering techniques.

STAP 4 VAN 16

Fold the card along all the score lines to create a structure with gussets that can hold bulk inside. Use your hands to firmly crease each fold, ensuring clean, sharp lines.

BEKIJK DEZE STAP - 4:15

5

Score both accordion pieces at 4.5 inches and 9 inches along the long side.

BEKIJK DEZE STAP - 7:45

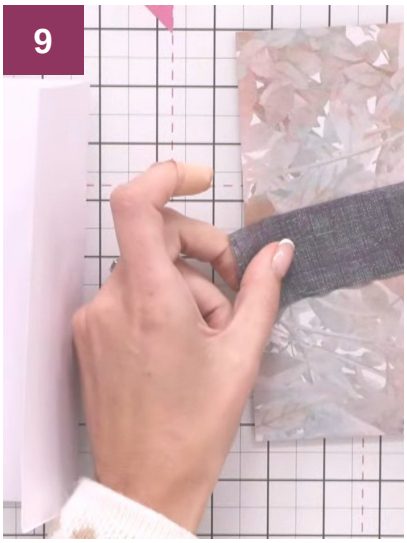
8

STAP 8 VAN 16

Measure and cut a piece of patterned paper to fit the front cover panel of your album. Position the decorative frame and 'Magical Moments' sentiment on top to check the placement before adhering.

BEKIJK DEZE STAP - 12:00

9



STAP 9 VAN 16

Cut a length of ribbon long enough to wrap around the album and tie a bow. Leave extra length for the bow tails.

BEKIJK DEZE STAP - 13:30

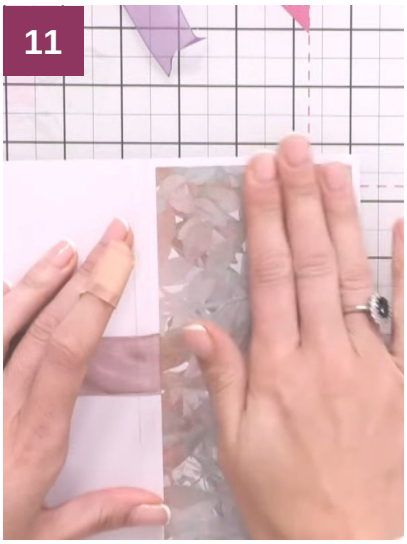
10

STAP 10 VAN 16

Secure the ribbon to the inside front cover using tape, positioning it so it will be hidden when the front panel is attached.

BEKIJK DEZE STAP - 15:00

11



STAP 11 VAN 16

Place the patterned paper panel on top of the front cover, ensuring it covers the ribbon attachment points. Press down firmly to adhere the panel to the cover.

BEKIJK DEZE STAP - 15:30

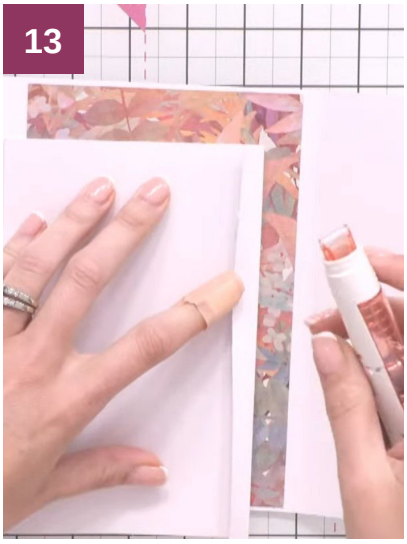
12

STAP 12 VAN 16

Select a sheet of patterned paper to decorate the inside back panel. Choose a design that complements your album, such as an orangey floral pattern, to cover the hinge area neatly.

BEKIJK DEZE STAP - 16:00

13



STAP 13 VAN 16

Apply strong adhesive to the edge of the accordion fold. Position and adhere it to the centre hinge of the album, holding it in place until secure.

BEKIJK DEZE STAP - 17:45

14

STAP 14 VAN 16

Add a decorative panel over the hinge area to hide the attachment and create a neat finish. This completes the fold-out page construction.

BEKIJK DEZE STAP - 18:30

15

STAP 15 VAN 16

Cut a piece of patterned paper to create a side pocket. Adhere it to the left side panel of the album, leaving the top and bottom edges open to form a pocket for tucking items inside.

BEKIJK DEZE STAP - 20:30

STAP 16 VAN 16

Tie the ribbon into a bow around the album and trim the tails to your preferred length.

BEKIJK DEZE STAP - 22:15

TIPS UIT DE SHOW

• Make your score lines as perfect as possible for clean folds.
• Decorate the back panels and hide hinges with decorative paper before attaching accordion pages to avoid difficult assembly later.
• Use offcuts from your card cuts to create side panels and pockets, making smart use of your materials.
