STAP 8 VAN 8

Complete your card by adding a sentiment strip if desired, or leave it as is for a clean, minimalist design. The tropical sunset scene with palm trees and silhouettes creates a striking focal point against the dark background.

TIPS UIT DE SHOW

- You don't need to stamp the entire silhouette; partial stamping creates a stepping-off-the-page effect.
- The Urban Life papers have enough visual interest that minimal stamping is needed.
- White gel pen highlights enhance the silhouette without requiring additional stamping.
