

Watercolour Ink Swiped Sunset Scene Card

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 22 JANUARI 2024

OVER DIT PROJECT

Create a stunning watercolour sunset scene card featuring silhouetted figures beneath a lamppost and tree branches. Using vibrant pink, orange and yellow inks swiped across watercolour card, you'll build a dreamy landscape with reflections. The technique combines ink blending with water activation and layered stamping to achieve a loose, artistic style.

STAP 5 VAN 9

Stamp a tree silhouette from the 'Into the Woods' stamp set using black ink. Tilt the stamp as you apply it so the tree appears to cascade in from the side of the card.

STAP 6 VAN 9

Stamp additional tree and foliage elements from the Pretty Things Inside stamp sets onto the left side of your sunset background to build up the landscape scene. Layer the tree images to create depth and dimension in your composition.

STAP 7 VAN 9

Use a damp brush to blend the stamped silhouettes into the watercolour background. Pull the colour downwards from the figures to create reflections and ground them into the scene.

TIPS UIT DE SHOW

- The swiping technique with an ink pad is easier than traditional watercolouring if you're not confident with a brush.
- You can bleach out areas with water and tissue to create highlights like moonlight.
- Watercolour card has texture that works beautifully with this technique and creates natural colour gradation.
