EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 15 JANUARI 2024

HET EINDRESULTAAT

OVER DIT PROJECT

Create a charming sunshine girl artwork using scratch card and embossing techniques to reveal hidden pink and coral colours. This project uses frame stencils as guides to create clean, defined borders around your stamped imagery. The finished piece features a soft watercolour-effect background with detailed line work, perfect for framing and display.

TIPS UIT DE SHOW

- Scratch card works beautifully with embossed stamps to create interactive, reveal-style designs.
- Use the frame stencils as guides by drawing around them with a pen to create crisp borders without stamping.
