EEN PROJECT UIT ONZE LIVESHOW - CREATE TOGETHER CLUB CHAPTER 3 - 10 JANUARI 2024

OVER DIT PROJECT

Create a beautiful layered greeting card featuring delicate watercolour florals as the centrepiece. This elegant design combines fussy-cut painted flowers with embossed texture and patterned papers, balanced with crisp white panels to create a sophisticated, dimensional finish. The soft colour palette and mixed techniques result in a stunning handmade card perfect for any occasion.

TIPS UIT DE SHOW

- When using pattern paper, add a white breaker panel to prevent the design from becoming visually overwhelming.
- Stack scrap cardstock pieces together to create raised mounts that add dimension without requiring foam pads.
- Play around with the positioning of elements on your card before gluing to find the arrangement you prefer.
