

Vintage kaart met vogelstempel en inkt blenden

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 8 JANUARI 2024

OVER DIT PROJECT

Create a stunning vintage-style card featuring a beautifully detailed bird stamp on decorative patterned paper. The design is enhanced with soft ink blending in teals and pinks, with distressed edges to achieve an aged, textured aesthetic. This project combines stamping, ink blending and distressing techniques to produce an elegant card with vintage charm.

TIPS UIT DE SHOW

- Use a good quality white ink pad to bring back detail if your blending becomes too heavy.
- Don't be tight with your twine—use a generous amount for better texture and visual impact.
- The paper will take water quite well even though it is not watercolour card, allowing for beautiful blending effects.
