HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant wedding card featuring a bride and groom embossed design layered onto a pre-painted watercolour mount in soft pinks and purples. The bride's gown is embellished with sparkling clear glitter for a touch of glamour. This project combines embossing, watercolour backgrounds and glitter detailing to produce a sophisticated celebration card with minimal effort.

TIPS UIT DE SHOW

- Colourless glitter gives a glass-like finish with no colour or iridescence undertone.
- You can separate the lady from the gentleman embossing folder designs to create different card combinations.
- The painted mounts make you look better than you are and unleash your creativity.
