

Inky Abbey on Painted Mount Card

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 2 JANUARI 2024

OVER DIT PROJECT

Create a dramatic framed card featuring an ornate abbey design embossed and inked in black oxide, mounted on a kraft card frame. The technique creates a striking architectural centrepiece with subtle pink highlights, perfect for special occasions. This project combines embossing, inking and mounting techniques to achieve a sophisticated, gallery-style finish.

TIPS UIT DE SHOW

- Trust the process when you see the ink transfer—it will look like a hot mess initially but creates a beautiful effect.
- The embossing folders clean beautifully under a tap and are indestructible, so don't worry about putting ink on them.
