

Abbey op vellum met gescheurde rand

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 2 JANUARI 2024

OVER DIT PROJECT

Create a romantic card featuring an ornate Abbey design embossed onto soft pink vellum with artfully torn edges. The delicate embossed vellum is layered over vintage Parisian scenes to create beautiful depth and dimension. This elegant project uses embossing and layering techniques to achieve a sophisticated, parchment-like finish perfect for special occasions.

3

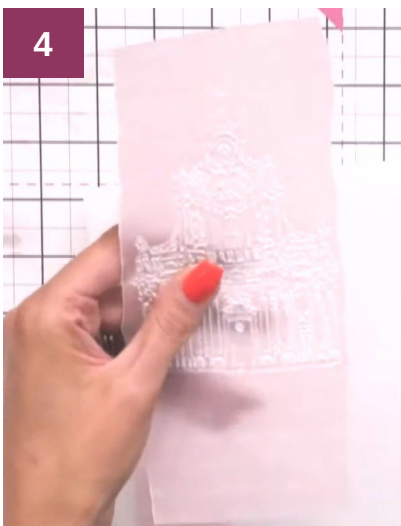

STAP 3 VAN 8

Tear the vellum down one side in a gentle, non-straight line to create a soft edge. Use your fingers to carefully tear the vellum rather than cutting it for a natural, organic finish.

TIPS UIT DE SHOW

- Experiment with different card stocks and textures with the embossing folders—mirror board, glitter card and lever effect paper all work beautifully.
- Vellum creates a lovely parchment or shadow effect when embossed.
