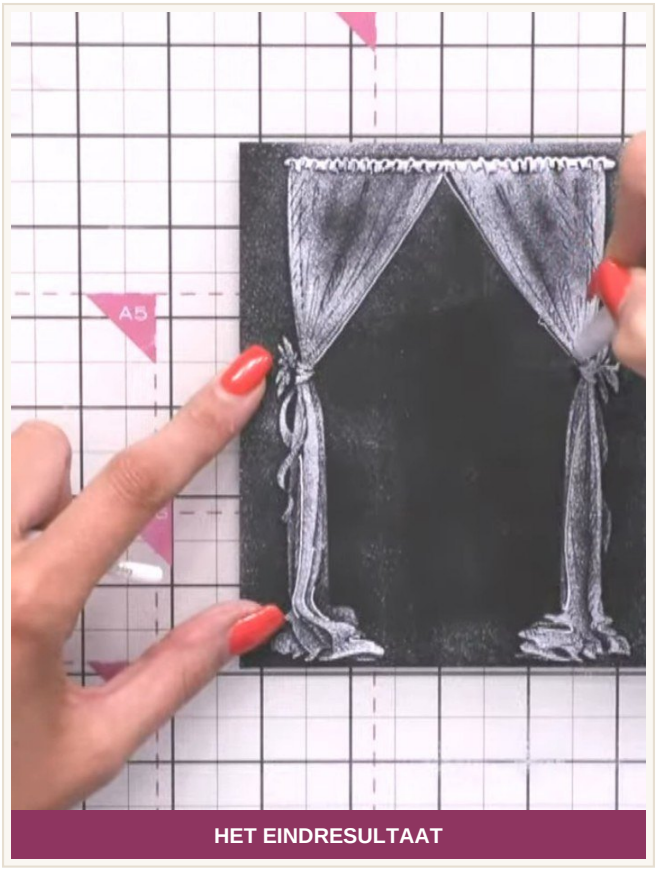
Cabaret-gordijnkaart met krijtbordeffect

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 2 JANUARI 2024



HET EINDRESULTAAT

OVER DIT PROJECT

Create a striking card featuring elegant cabaret curtains with a sophisticated chalkboard effect. Using an embossing folder on black card and highlighting with white ink, you'll craft a theatrical curtain design that beautifully frames any sentiment or image. This versatile technique works perfectly for multiple occasions, from birthdays to special celebrations.

TIPS UIT DE SHOW

- The Cabaret curtain design can frame anything—a stamped sentiment, verse, lyrics, flowers, or a bride and groom image.
- You can use a gold ink pad or gold gilding wax instead of white for a different effect.
- If you feel you've applied too much ink, you can cut away the excess or recut and layer the design on top for a cleaner look.
