

Scratch Reveal Holiday Travel Card with Trendy Triangles Cover Plate

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 30 DECEMBER 2023

OVER DIT PROJECT

Create an interactive scratch-off holiday travel card featuring geometric triangle patterns and hidden messages. This project combines the trendy triangles cover plate die with festive travel-themed stamps to create a surprise reveal card perfect for announcements or party invitations. The design showcases modern geometric patterns with colourful backgrounds and uses special scratch-off stickers to conceal your message until revealed.

STAP VOOR STAP

1

STAP 1 VAN 7

Stamp the passport design from the holiday travel set onto white card stock using black ink. Position the stamp clearly on the card and press firmly to ensure a crisp impression.

2

STAP 2 VAN 7

Using the arrow stamps from the set, stamp arrows pointing in your chosen direction onto the passport design to indicate movement or direction. Position them near the 'scratch here' area.

3

STAP 3 VAN 7

Position the trendy triangles cover plate on its side at an angle to create a dynamic diagonal design rather than an upright triangular pattern. This creates a flash or movement effect across the card front.

6

STAP 6 VAN 7

Position a scratch sticker over your stamped message, ensuring it is straight and covers the area you want to conceal.

STAP 7 VAN 7

Use a coin to gently scratch away the protective layer over the suitcase to reveal your hidden message underneath.

TIPS UIT DE SHOW

- The protective plastic layer on the stickers prevents damage to stamped or written messages underneath, even with firm scratching.
- You can write your own personalised message under the sticker instead of using pre-stamped sentiments.
- The stickers can be used on photographs or other surfaces for creative reveals.
