

Kaart met bloemenbanner op zwart karton

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 8 DECEMBER 2025

OVER DIT PROJECT

Create an elegant card featuring a decorative floral banner die-cut on black cardstock with pink and grey vase designs. The intricate banner design is layered with delicate foliage sprigs for added dimension. This sophisticated card combines die-cutting techniques with careful layering to achieve a striking contrast between the black background and coloured elements.

- The banner die cuts beautifully despite its intricate design due to perfect spacing in the die.
- You can cut the circle frames in a contrasting colour and layer them behind the banner for a striking effect.
- The banner doesn't have to be used as a banner—it can be used as a decorative element anywhere on your card.
