

Wish Upon a Star Easel Card with Decorative Edge

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 30 DECEMBER 2023

OVER DIT PROJECT

Create a stunning standing easel card featuring die-cut stars with decorative edge details. The card showcases beautifully coloured floral elements in purples and whites against a grey background, with layered stars creating wonderful dimension. This project uses die-cutting and layering techniques to produce an elegant display piece perfect for a mantelpiece.

STAP VOOR STAP

STAP 1 VAN 9

Cut the star design from grey card stock using your die-cutting machine. Use the star die from the plate die set to cut out the shape.

STAP 3 VAN 9

Place the exterior die outline onto your chosen patterned paper. Run through your die-cutting machine to cut out the coloured backing piece for your card.

BEKIJK DEZE STAP - 10:30

STAP 4 VAN 9

Score the front panel of your grey card base down the middle to create the easel stand element. This will allow the card to stand upright when displayed.

STAP 5 VAN 9

Glue the grey patterned paper piece with the cut-out stars to the front of your card base, aligning it carefully.

BEKIJK DEZE STAP - 12:30

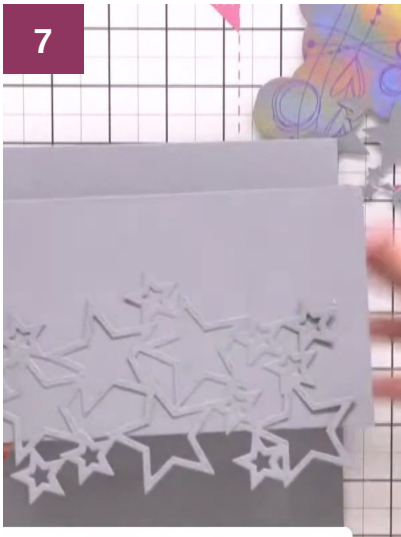

STAP 6 VAN 9

Position the grey star layer on top of the base card, offsetting it slightly to create a drop shadow effect. Secure in place with tape on the reverse.

7

STAP 7 VAN 9

Add decorative embellishments to the top of your card. Position die-cut stars and other elements across the upper portion of the card front for extra detail and visual interest.

8

STAP 8 VAN 9

Attach your chosen sentiment or washi tape message to the grey base card. Position it centrally at the bottom of the card base to complete your design.

9

STAP 9 VAN 9

Stand the completed card upright in easel position, with the decorative star edge at the base supporting the card. The floral arrangement should be visible at the top, with the sentiment strip and water scene displayed on the front panel.

TIPS UIT DE SHOW

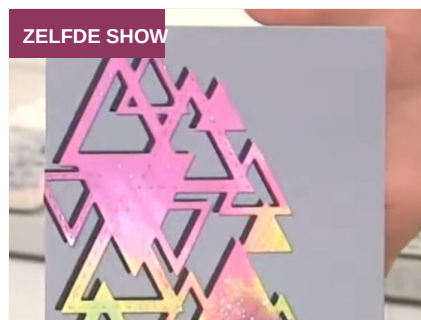

- Save all the die-cut elements (stars, hearts, butterflies) in a container as you may want to paper piece them back in or cross-pollinate designs.
- The exterior die means you don't have to worry about the design cutting through halfway, giving you complete coverage.
- You can use the same concept with any of the other cover plate designs like bubbles or butterflies.
