

Star Cover Plate Card with Paper-Pieced Elements

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 29 DECEMBER 2023

OVER DIT PROJECT

Create a stunning shaped-top card featuring the Wish Upon a Star cover plate die with vibrant multi-coloured stars. This eye-catching design combines teal cardstock with rainbow-gradient patterned paper, enhanced by paper-pieced butterfly accents and colourful glitter embellishments. The technique involves die-cutting layered stars to create dimensional interest and a striking contemporary finish.

STAP 4 VAN 9

Fussy cut away some of the stars from the backing piece to reduce the overall size if desired. This helps create a more refined layered look for your card.

STAP 6 VAN 9

Add media glitter to the butterfly elements for extra sparkle. Apply the colourless chunky glitter to give a glass-like finish to the butterflies.

TIPS UIT DE SHOW

- Having the mat and layer makes it much easier to create shaped-top cards without complicated die-cutting techniques.
- You can paper piece the small stars back in using contrasting colours for added visual interest.
