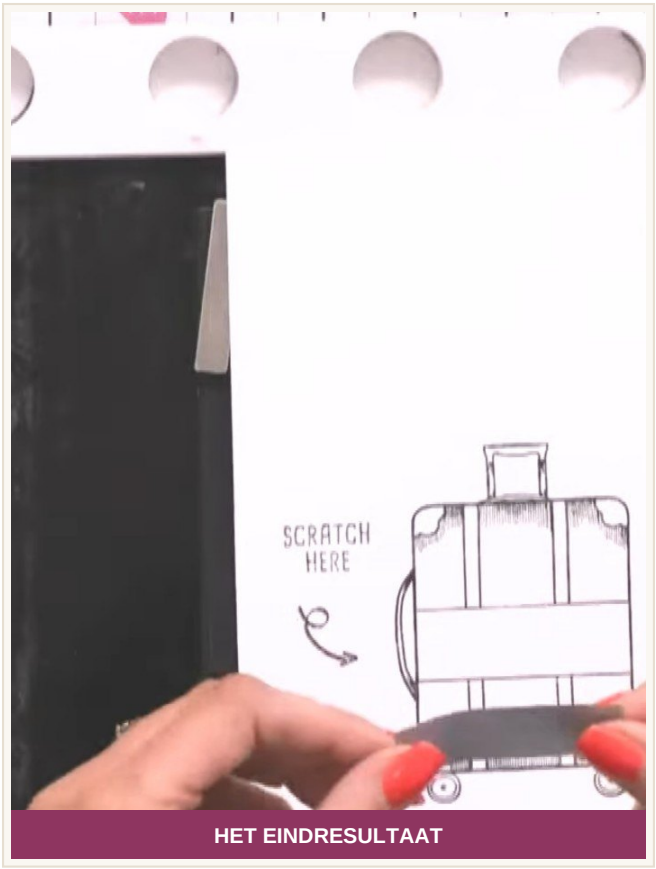
EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 29 DECEMBER 2023



HET EINDRESULTAAT

OVER DIT PROJECT

Create a unique interactive greeting card featuring a charming suitcase design with a scratch-and-reveal element. The card uses a teal frame with a stamped suitcase image and hidden sentiment covered by a metallic scratch-off panel. This engaging design combines stamping, layering, and the fun surprise of a scratch card, perfect for travel-themed occasions or special announcements.

TIPS UIT DE SHOW

- The stickers have a clear plastic layer that protects the image underneath, so scratching hard won't distort the design.
- You can write any personalised sentiment underneath the sticker, making each card unique.
- The set includes 70 stickers, so you can make multiple cards straight away without needing to purchase additional stickers.
