EEN PROJECT UIT ONZE LIVESHOW - CYBER DEALS - 1 DECEMBER 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning Christmas wreath card using shimmering confetti inks on black cardstock. Paint delicate leaves in metallic gold, green, and silver arranged in a circular wreath pattern, accented with tiny berry details for a festive touch. The pearlescent inks create a beautiful shimmer effect that catches the light, perfect for elegant holiday greetings.

TIPS UIT DE SHOW

- The confetti inks work beautifully on both black and white cardstock, maintaining their pearlescent finish on either surface.
- You can overlay colour on top of colour with these paints without any issues.
- If you are not confident with the technique, practise on a spare piece of card first to get a feel for the paint consistency.
