Sparkle Everyday Reflection Card with Embossed Fireworks

EEN PROJECT UIT ONZE LIVESHOW - THE BRAND NEW LAUNCH - 9 JULI 2026

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning reflection card featuring a cityscape with fireworks bursting overhead. Using the Sparkle Everyday stamp set on dark patterned paper from the Skyfire Nights collection, you'll emboss the image with white powder to create a shimmering effect that captures the magic of fireworks reflecting on water. The dramatic contrast between the dark background and white embossed details creates a striking nighttime scene perfect for celebrations.

TIPS UIT DE SHOW

- Always heat your gun fully before applying it to paper to prevent lumps and bumps in the embossing.
- If using a glass mat underneath, lift the paper off the mat when heating to avoid heat bouncing back and creating brown burn marks.
- The reflection in the stamp is intentionally slightly faded to mimic the look of water reflections.
