

Embossed Snow Burst Card with Amala Character Topper

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 26 OKTOBER 2023

OVER DIT PROJECT

Create a stunning card featuring an embossed snow burst background in shimmering gold with a central circular aperture. The design is completed with a layered panel showcasing an Amala character topper, combining elegant metallics with a contemporary dotted texture. This versatile card uses embossing folders and die-cutting techniques to achieve a sophisticated finish suitable for various occasions.

STAP VOOR STAP

STAP 1 VAN 4

Run your gold or grey card stock through the embossing machine with the snow burst embossing folder to create the textured background pattern.

STAP 3 VAN 4

Position your Amala character stamp or die-cut onto the embossed gold background to create a focal point for your card. Place the character centrally or slightly off-centre to ground the scene against the embossed texture.

TIPS UIT DE SHOW

- Mark your embossing folder to remember which way it embosses up to avoid confusion in future use.
- If your embossing folder has a circular element, you can cut it out to create a peephole effect or diorama-style card.
