

Hand-Painted Bauble with Teal and Brown Shading

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 25 OKTOBER 2023

OVER DIT PROJECT

Create a stunning three-dimensional bauble ornament using hand-painting techniques on a circular die-cut. This project combines teal ink for the highlighted areas and brown for the shadows, producing a realistic shiny sphere effect with beautiful depth and dimension. The finished piece makes a perfect decorative element for cards or festive crafts.

STAP 4 VAN 9

TIPS UIT DE SHOW

- The decorative knobbles on the wrap piece are designed to extend beyond the circle, creating the illusion that the wrap is going around the bauble.
- You can create baubles in any colour theme to match your Christmas card designs.
