

Gold Embossed Snow Burst Card on Metallic Card Stock

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 25 OKTOBER 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant card featuring a delicate pink flower in a glass jar, embellished with a stunning gold embossed snow burst background. This sophisticated design is created on metallic gold card stock using embossing powder to achieve a luxurious raised texture. The combination of soft watercoloured florals and shimmering gold creates a versatile card suitable for any occasion throughout the year.
