

Inktachtergrond met spray en embossed tekst

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 23 OKTOBER 2023

OVER DIT PROJECT

Create a vibrant greeting card featuring a colourful rainbow background with an embossed 'lovelove' sentiment. Using ink pads and mica sprays, you'll build up layers of pink, orange, yellow, green and purple tones, then add a bold black embossed word pattern highlighted with white ink to make the text stand out beautifully against the busy, artistic background.

Using various coloured ink pads (yellow, orange, purple, blue), dab spots of colour randomly across the white cardstock base. Build up the colours by pressing the ink pads directly onto the card.

STAP 3 VAN 9

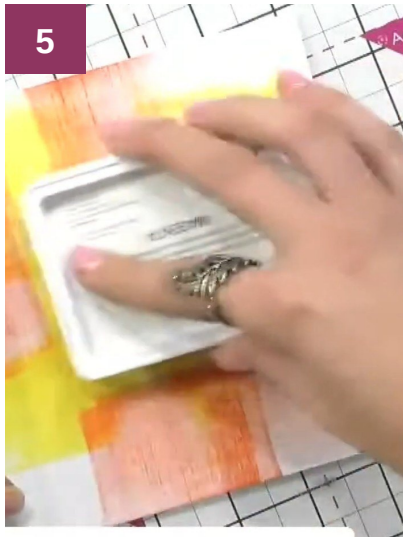

Working over a spray box, apply yellow mica spray over the coloured ink pads to create a shimmering effect and blend the colours together.

Ink both sides of your chosen embossing folder with black ink pad. For this project, use the 'love' sentiment folder from the set. Ensure both the top and bottom surfaces of the folder are evenly covered with ink.

TIPS UIT DE SHOW

- Always work with sprays over a spray box to contain the mist and protect your work surface.
- The mica in the spray adds a lovely shine to your background and helps blend the ink colours together.
- You can intensify the embossed design by running it through the machine twice with the same ink pad.
