

Gold Metallic Highlight on Embossed Design

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 23 OKTOBER 2023

OVER DIT PROJECT

Create an elegant embossed card with a delicate floral design enhanced with gold metallic highlights. The raised embossed areas are lightly touched with shimmering gold ink, creating a subtle sparkly effect that catches the light beautifully. This technique uses your embossing folder as a mono printing plate to transfer metallic ink onto the raised design.
