

Blue-Toned Layered Card with Multiple Snow Drift Words

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 17 OKTOBER 2023

OVER DIT PROJECT

Create a sophisticated layered card featuring a beautiful winter scene with snow-covered mountains and trees. The design uses blue-toned painted mounts with multiple snow drift word dies positioned at different points across the card for added visual interest and depth. This elegant card combines watercolour-style imagery with die-cut sentiment words for a contemporary festive look.

- The versatility of the snow drift words means you can create multiple cards with different colour combinations.
- You can add decorative elements like small stamps or embellishments to enhance the design.
