

Greetings Snow Drift Card with Painted Mount and Halo Glow

EEN PROJECT UIT ONZE LIVESHOW - MONDAY PODCAST - 9 OKTOBER 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a beautiful festive card featuring a countryside winter scene with a dimensional 'Greetings' sentiment die-cut. The design showcases a painted mount with a snowy landscape and cottage, enhanced by a soft pink and peach halo glow effect behind the gold sentiment. This elegant card combines layering techniques with watercolour painting to achieve a warm, sunset-inspired backdrop.
