

Aquarelkaart met rode en gouden kerststerren

EEN PROJECT UIT ONZE LIVESHOW - MONDAY PODCAST - 2 OKTOBER 2023

OVER DIT PROJECT

Create a traditional Christmas card featuring stunning poinsettias in rich reds and burgundy tones with elegant gold metallic accents. Using a two-part lamination stamping technique, you'll achieve a beautiful hand-painted watercolour effect that brings these festive flowers to life. This sophisticated design combines classic Christmas colours with a contemporary watercolour style for a truly special handmade card.

STAP VOOR STAP

STAP 1 VAN 12

Cut a square piece of white card stock for your card base. Position it on your cutting mat with the solid portion at the top.

[BEKIJK DEZE STAP - 10:45](#)

2

STAP 2 VAN 12

Place the solid portion of the lamination stamp onto your acrylic block and ink it up with red ink.

[BEKIJK DEZE STAP - 11:00](#)

3

STAP 3 VAN 12

Spray the stamped poinsettia with water to blend the inks. Allow the colours to merge and create depth, then set aside to dry.

[BEKIJK DEZE STAP - 11:15](#)

4

STAP 4 VAN 12

Spray the inked stamp with water three times to activate the watercolour effect. Hold the spray bottle at a distance and apply light, even sprays across the stamped image.

STAP 5 VAN 12

Press the stamp firmly onto your white card and allow the ink to be absorbed. Tap off any excess with your finger to remove the stamp cleanly.

[BEKIJK DEZE STAP - 12:00](#)

STAP 6 VAN 12

Repeat the stamping process with the poinsettia stamp in different areas of the card to build up a bouquet arrangement. Press the stamp firmly onto the card and lift carefully to reveal the orange and glitter design.

[BEKIJK DEZE STAP - 12:30](#)

STAP 7 VAN 12

Allow the card to dry completely before proceeding to the next step. The burgundy and metallic copper poinsettia should be fully set on the pale pink cardstock.

[BEKIJK DEZE STAP - 13:00](#)

8

STAP 8 VAN 12

Use an antistatic bag to remove any moisture from the card surface before proceeding.

[BEKIJK DEZE STAP - 23:15](#)

9

STAP 9 VAN 12

Ink up the outline portion of the lamination stamp using the gold metallic sticky ink pad. Apply the ink evenly to ensure good coverage on the stamp.

[BEKIJK DEZE STAP - 23:30](#)

10

STAP 10 VAN 12

Stamp the outline detail over the watercoloured poinsettias using the Merry and Bright stamp set. Offset the stamping slightly from the watercolour to create a hand-painted effect.

[BEKIJK DEZE STAP - 24:00](#)

11

STAP 11 VAN 12

Sprinkle embossing powder over the stamped floral design on the card. Ensure the powder covers all the stamped areas evenly.

[BEKIJK DEZE STAP - 24:30](#)

12

STAP 12 VAN 12

Heat set the embossed detail with a heat gun, holding it over the card until the embossing powder melts and sets to a shiny finish.

[BEKIJK DEZE STAP - 29:00](#)

TIPS UIT DE SHOW

- Spray the stamp twice or three times depending on how much watercolour bleed you prefer.
- The lamination stamp pieces do not need to line up perfectly; the offset creates a realistic hand-painted look.
- Always ensure your design is completely dry before stamping the outline detail, or the ink will not transfer properly.
