Slimline-kaart met aquarelhuisje

EEN PROJECT UIT ONZE LIVESHOW - THE INSTANT ARTIST - 2 OKTOBER 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a beautiful slimline Christmas card featuring a rustic cabin nestled amongst evergreen trees. Using the spray and stamp technique, build up layers of watercolour in rich greens and browns, then add crisp black outlines for depth and definition. The sentiment 'may your days be MERRY and BRIGHT' completes this charming winter scene with a decorative star accent.

STAP 1 VAN 9

Prepare your slimline card base or cut white cardstock to 4 by 8 inches (approximately 10 by 20 cm). This will be the base for your watercoloured cabin scene.

STAP 2 VAN 9

Using an acrylic block, spot multiple shades of green ink onto the cabin stamp, varying the tones to create texture and depth.

STAP 3 VAN 9

Spray the white card twice with water to dampen it evenly, ensuring good coverage across the surface.

STAP 4 VAN 9

Stamp the inked cabin image directly onto the wet watercoloured card near the base, allowing the ink to bleed and create a soft watercolour effect.

Set the stamped card aside to dry completely before continuing with the project.

STAP 6 VAN 9

STAP 7 VAN 9

Once the cabin is dry, ink the cabin stamp in black and stamp it directly on top of the watercoloured image to create a defined outline and shadow effect.

BEKIJK DEZE STAP - 11:30

STAP 8 VAN 9

Mount the sentiment panel onto the card front. Use a piece of scrap card to mask off areas and add sparkle or glitter to the trees for a festive finishing touch.

STAP 9 VAN 9

Mount the finished watercolour panel onto your slimline card blank. Position the sentiment panel at the top of the card and adhere in place to complete your card.

TIPS UIT DE SHOW

- If you spray too much water, you'll get a flood, but it still looks brilliant—don't be put off by it.
- Spray the card rather than the stamp for better bleeding and a more realistic watercolour finish.
- You can use any white cardstock; thick or thin will all work with this technique.
