

Clean and Simple White Embossed Lines Card

EEN PROJECT UIT ONZE LIVESHOW - CREATE TOGETHER CLUB CHAPTER 3 - 27 SEPTEMBER 2023

OVER DIT PROJECT

Create a sophisticated all-white card featuring embossed horizontal lines and layered die-cut elements. This elegant design combines white embossed hearts and stars mounted on a kraft card base, with the sentiment 'Hope' for a clean and simple look. The project uses white-on-white embossing and dimensional layering techniques to create visual interest without colour.

TIPS UIT DE SHOW

- White on white cards look sophisticated and are particularly effective for sympathy cards if you have the confidence to use them.
- You can create your own foam pads at home by gluing together off-cut card pieces and hiding an old foam pad behind them as a money-saving alternative.
- Don't be afraid of using white cardstock – it doesn't have to be scary and creates an elegant, clean aesthetic.
