Charlotte Quattro D Coloured Bouquet Card with 3D Hair Piece

EEN PROJECT UIT ONZE LIVESHOW - MONDAY PODCAST - 25 SEPTEMBER 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a beautiful romantic portrait card featuring Charlotte, a detailed lady stamp with flowing hair and a delicate floral bouquet crown. The design showcases selective colouring with pink and purple blooms whilst leaving the face and hair elegantly uncoloured, enhanced with a dimensional 3D layered hair piece for added sparkle and depth. This stunning card combines stamping, embossing, watercolouring and dimensional layering techniques for a truly special handmade greeting.

TIPS UIT DE SHOW

- If you die cut first, hold the exterior with a magnet so the die cut stays in place when stamping.
- Line up the eyes and mouth on the stencils as guides for correct placement every time.
- Make sure the 3D layered elements look pretty from all angles by colouring both sides before layering.
