

Silhouetkaart met gemaskeerde cirkel en boom

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 13 SEPTEMBER 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a dramatic silhouette card featuring a haunting tree scene within a glowing circular spotlight. The design combines soft watercolour washes in sunset hues of yellow, peach, and green with bold black stamped tree silhouettes for striking contrast. This project uses masking and stamping techniques to build depth and create an atmospheric focal point perfect for handmade cards.

STAP 1 VAN 4

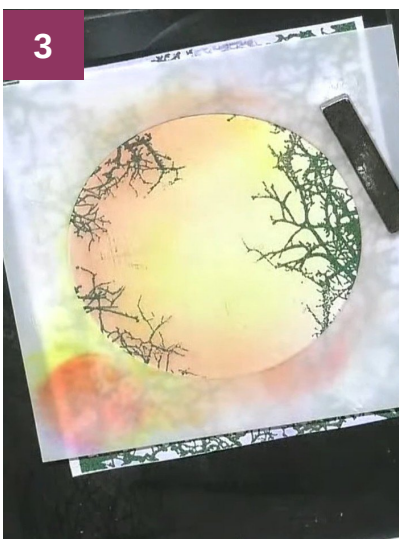

Position your circular stencil on the card to act as a mask. Hold it firmly in place with your hand to prevent it from moving whilst you work.

STAP 2 VAN 4

Stamp the tree design in black ink within the masked circle area to create a silhouette effect. Remove the masking carefully to reveal the blended background beneath.

STAP 3 VAN 4

Carefully remove the stencil mask from the card to reveal the spotlight effect. The tree silhouette should now be visible inside the circular masked area with the blended background colours around it.

STAP 4 VAN 4

If you're not happy with the masked result, remove the mask and stamp directly onto the purple card instead. Position your stamp carefully to create the desired silhouette scene.

TIPS UIT DE SHOW

- Using a stencil as a mask gives you options; you can experiment without fear because it's just a piece of card.
