

Midnight Blooms Everyday A2 Card with Vellum Wrap

EEN PROJECT UIT ONZE LIVESHOW - THE ART OF CARDISTRY - 11 SEPTEMBER 2023

OVER DIT PROJECT

Create an elegant everyday card using the Midnight Blooms collection featuring grey, white and pink lace-effect designs. This A2 card features a decorative vellum wrap-around overlay with ornate corner embellishments and delicate pink flowers, creating a sophisticated layered effect visible on both the front and back of the card. The main techniques include layering patterned papers, positioning vellum overlays, and adding dimensional corner decorations.

TIPS UIT DE SHOW

- The vellum wrap creates beautiful texture on both the front and back of the card.
- Corner designs can be overlapped to create a rectangular frame or positioned at all four corners for a square card effect.
