

Everyday Collection Bookmark Gift Card Holder

EEN PROJECT UIT ONZE LIVESHOW - MONDAY PODCAST - 4 SEPTEMBER 2023

OVER DIT PROJECT

Create an elegant gift card holder featuring a beautiful bookmark element. This sophisticated design combines white laser-cut rose patterns with floral patterned paper in pink, navy and green tones. The project uses layering and hinge techniques to create a wrap-style card that opens to reveal both a gift card pocket and a decorative bookmark.

STAP VOOR STAP

STAP 1 VAN 9

Start with a top-folding note card as your base. Position a white rose-patterned die-cut panel on top, then layer a dark floral patterned paper panel beneath it.

STAP 2 VAN 9

Die cut the wrap element from the floral patterned paper using the hinge die from the collection. This creates the decorative rose-patterned overlay piece that will wrap around the card.

STAP 3 VAN 9

Cut a small strip from the edge of the navy blue floral patterned paper panel to create a bookmark. Use the pink corner piece as a guide for the width.

STAP 4 VAN 9

Glue the bookmark strip to the back of the wrap panel with the navy floral pattern. Trim any excess from the bookmark so it extends just slightly beyond the fold line of the panel.

STAP 5 VAN 9

Position the white rose-patterned die-cut panel at the top of your card base, centring it to frame the floral patterned paper and sentiment panel beneath. Adhere it in place to complete the layered design.

STAP 6 VAN 9

Position the decorative wrap element on the front of your card, ensuring the bookmark is visible through the cut-out design. Adhere it in place to secure.

STAP 7 VAN 9

Cut out a sentiment from the included sentiment sheet. Position it on the decorative panel behind the butterfly die-cut to complete your bookmark gift card holder.

STAP 8 VAN 9

Adhere the sentiment panel to the centre of the inner white panel of the card, positioning it carefully within the die-cut rose frame.

STAP 9 VAN 9

Close the white decorative wrap around the card holder and secure it with the butterfly brooch clasp. The wrap can be fastened with tape for a permanent finish or left loose for reusability.

TIPS UIT DE SHOW

- If making this a permanent fixture, seal the brooch clasp on only one side to allow the gift card or bookmark to move freely.
- This design works beautifully for wedding invitations with ceremony details inside or thank-you cards.
