

## Winter Story Die-Cut Interchangeable Sentiment Card

EEN PROJECT UIT ONZE LIVESHOW - THE ART OF CARDISTRY - 4 SEPTEMBER 2023

### OVER DIT PROJECT

Create an elegant winter-themed card using the Winter Story die-cut system with interchangeable sentiment words. This versatile design features delicate outlined greetings with an underplate in soft pink tones, allowing you to swap different festive words like 'wishes', 'joy', 'merry' and 'elf' in the centre space. The technique involves die-cutting layered sentiments and assembling them to create a customisable greeting card perfect for the festive season.

## TIPS UIT DE SHOW

- The individual words are interchangeable, so you can create multiple different cards from one die set.
- Smooth white cardstock without texture works best for clean die-cutting.
- Card stock around 250 GSM (approximately 90-180 pound in USA measurements) works well for these dies.
