Feathered Finesse kaart met gelaagde vogel

EEN PROJECT UIT ONZE LIVESHOW - THE THURSDAY DROP - 18 JUNI 2026

HET EINDRESULTAAT

OVER DIT PROJECT

Create this elegant layered card featuring a beautiful blue bird perched on a branch with delicate berries and foliage. Using coordinating stencils and soft blue, purple and grey inks, you'll build up a detailed bird design with subtle dimension and sparkle accents. The sentiment 'Let your dreams be your wings' is framed within a scalloped circle, surrounded by a decorative dotted border for a charming finishing touch.

TIPS UIT DE SHOW

- The stencils are numbered, so line them up in order for best results.
- You can use different colour combinations to create variations of the same bird design.
- Allow glue to dry completely before handling, as it dries crystal clear.
