STAP 3 VAN 9

Gently burnish the vellum to secure it in place. Apply double-sided tape underneath the vellum to hold it firmly on both the front and back of the card.

STAP 4 VAN 9

Die-cut the maple leaf design from gold sparkle cardstock using your die-cutting machine. Remove the die-cut leaf from the cardstock.

Adjust the bow so it sits to one side of the vellum pocket. Trim the ribbon tails to your desired length using scissors.

STAP 7 VAN 9

Secure the bow in place by pressing down firmly with your fingers. Place a small piece of double-sided tape underneath one of the ribbon arms to prevent the bow from slipping.

TIPS UIT DE SHOW

- Extending the vellum to the back of the card creates a professional, layered look without adding bulk for posting.
- The vellum is high-grade and scores beautifully, allowing you to heat emboss or use various cardmaking techniques on it.
- You can choose to pop out the centre elements of the die-cut or leave them in for different design effects.
