

Inked Embossing Folder Background with Water Spray

EEN PROJECT UIT ONZE LIVESHOW - THE ART OF CARDISTRY - 14 AUGUSTUS 2023

OVER DIT PROJECT

Create a stunning textured background by inking directly onto an embossing folder with multiple colours, then running cardstock through to transfer the design. Add water spray to create beautiful colour variations and extra texture across your pink and coral patterned background, perfect for card making and mixed media projects.
