

Halloween Sentiment Card with Patterned Background

EEN PROJECT UIT ONZE LIVESHOW - THE ART OF CARDISTRY - 14 AUGUSTUS 2023

OVER DIT PROJECT

Create a charming Halloween card featuring an adorable cat and dog duo peeking up from the bottom against a dreamy twilight background. The design combines stamped animal images with a beautiful hand-painted effect patterned paper in blues, purples and pinks, accented with delicate botanical silhouettes and white splatters. This project uses simple stamping and layering techniques to achieve a professional, atmospheric Halloween greeting.

TIPS UIT DE SHOW

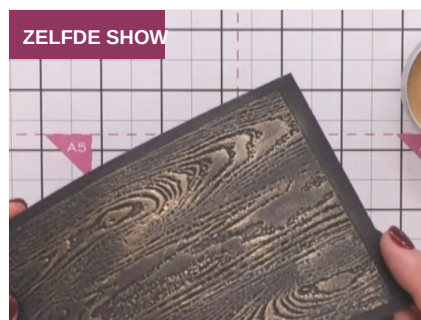

- Stamps by Me stamps do not need to be coloured; black and white stamped images look absolutely stunning on their own.
- You can add as much or as little colour as you wish to the stamped images.
- The patterned paper background makes the card look hand-painted even though it is a pre-printed design.
