

Tomorrow Reflection Swans Card with Foliage and White Ink Details

EEN PROJECT UIT ONZE LIVESHOW - MONDAY SALE - 14 AUGUSTUS 2023

OVER DIT PROJECT

Create a serene card featuring elegant swans in a moonlit water scene with dramatic pink and purple sunset reflections. This atmospheric piece is made by stamping black foliage and swan silhouettes over a vibrant watercolour background, then adding white ink details to bring the swans forward and create depth. The layered stamping technique creates a beautiful contrast between the dark botanical elements and the luminous sky.

TIPS UIT DE SHOW

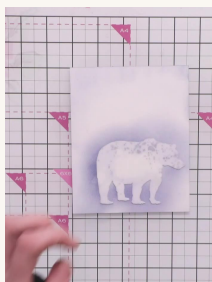

- Stamp everything in black first, then use white to pull the focal elements forward.
- White ink looks harsh when wet but softens as it dries.
- Use white gel pens for precise highlights and accents on top of dried white paint.
