

Multicoloured Psychedelic Santa Card with Quattro D

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 10 JULI 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a vibrant, modern Christmas card featuring a psychedelic Santa in bold oranges, reds, and pinks with gold accents. Using the Quattro D four-stage layering system, you'll build up colour through stencils and finish with sparkling gold embossing powder. This eye-catching design puts a contemporary twist on traditional festive imagery.

TIPS UIT DE SHOW

- You don't have to use traditional red for Santa—experiment with any colours you like for a modern look.
- If you don't line up the stamp perfectly, you'll still get a nice effect with extra texture.
- You can trim Santa's arms shorter if you prefer a more compact design for smaller cards.
