EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 10 JULI 2023

OVER DIT PROJECT

Create an elegant infinity window shaker card featuring a dome-shaped self-adhesive window filled with sparkles and embellishments. This professional-looking card uses pre-taped infinity windows that create a stunning dimensional effect, perfect for special occasions. The technique demonstrates how to mount and fill the window for a luxurious, expensive finish.

TIPS UIT DE SHOW

- The tape is permanent once pressed down, so make sure you position the window exactly where you want it before sealing.
- You can fill the window with anything—glitter, sequins, beads, buttons, or even money.
- Mount the finished window on contrasting card (black or gold) to frame the design beautifully.
