

Kaart met script-reliëf op koperkleurig karton

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 7 JULI 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a simple yet elegant card using copper-coloured cardstock embossed with a script pattern. The embossed detail creates a sophisticated, vintage-inspired textured background that looks far more complex than it is to make. This project demonstrates how a single embossing folder can transform plain cardstock into something special.
