

Slimline-kaart met aquarelhuisje

EEN PROJECT UIT ONZE LIVESHOW - THE INSTANT ARTIST - 1 JULI 2023

OVER DIT PROJECT

Create a stunning slimline Christmas card featuring a watercolour cabin scene without using a paintbrush. Layer green and teal tones for the trees and warm browns for the cabin using the spray and stamp technique, then add black outlines for depth and definition. Complete the card with the festive sentiment 'may your days be merry and bright' and a decorative star.

STAP VOOR STAP

STAP 1 VAN 9

Prepare a white slimline card blank or cut white cardstock to slimline size (approximately 10 x 21 cm when folded). This will be the base for your watercolour cabin scene.

STAP 2 VAN 9

Using an acrylic block, dab multiple shades of green Distress Ink onto the cabin stamp. Vary the tones across the image to create texture and depth in the trees and foliage.

STAP 3 VAN 9

Spray the white cardstock twice with water using a spray bottle to create a wet surface for the watercolour effect.

4

STAP 4 VAN 9

Press the cabin stamp firmly into the wet sprayed card to allow the ink to bleed and create a watercolour effect.

STAP 5 VAN 9

Set the stamped card aside to dry completely before continuing with the next step.

6

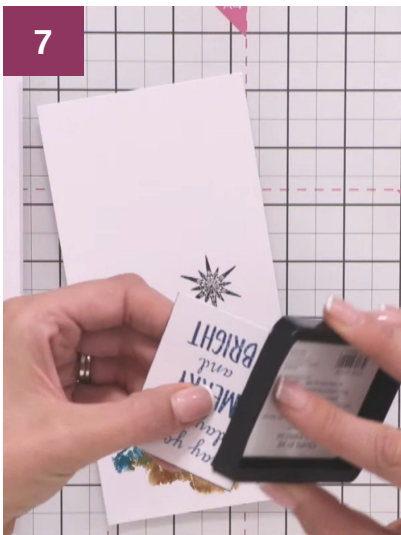

STAP 6 VAN 9

Stamp a sentiment from the set onto a separate piece of white card using teal ink. The sentiment shown reads 'may your days be MERRY and BRIGHT'.

7

STAP 7 VAN 9

Use a black ink pad to edge the sentiment piece, running the chamfer around the edge to create a subtle shadow effect.

STAP 8 VAN 9

Stamp the cabin outline in black ink directly over the dried watercolour cabin to add detail and definition. Position the stamp carefully to align with the watercoloured image beneath.

STAP 9 VAN 9

Mount the sentiment panel at the top of your slimline card base. Position the cabin and tree scene below the sentiment, ensuring it's centred. Add optional sparkle or glitter to the trees for a festive finish.

TIPS UIT DE SHOW

- If you don't have a Slimline card, you can work directly onto white cardstock and trim to size later.
- Spray the card rather than the stamp for better watercolour bleed and realism.
- The outline stamp doesn't need to be perfectly aligned; slight misalignment still looks professional and adds to the handmade charm.
