OVER DIT PROJECT

Create a beautiful floral card featuring a dark background with pink, coral and blue blooms. This quick project uses a pre-made decoupage topper that's been fussy-cut for added dimension, layered with foam pads and finished with a stamped white sentiment banner. The result is a professional-looking card perfect for birthdays or special occasions.

STAP 4 VAN 8

Apply foam pads to the back of your fussy-cut floral elements. Use as many foam pads as needed to ensure the elements are securely attached and will create dimension when added to your card.
