

Colourful Die-Cut Monster Peeping Corner Card

EEN PROJECT UIT ONZE LIVESHOW - AVAGO-INK - 12 JUNI 2023

OVER DIT PROJECT

Create a playful monster peeping corner card using die-cut components and vibrant watercolour paper. This fun design features a cheerful monster character with googly eyes and toothy grin, positioned to peek around the edge of your card. The technique involves layering colourful die-cut shapes and adding a black card border for a bold, graphic finish.
