EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 29 MEI 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant sympathy card featuring a beautiful embossed cross design on white pearl cardstock. This versatile card works perfectly for sympathy, christenings, Easter and Christmas occasions. The main technique is 3D embossing to create a raised, textured cross motif that can be enhanced with additional layered elements.

STAP 5 VAN 7

If desired, create a white halo effect around the embossed cross design. Use an aperture or masking technique to achieve this subtle border around the cross motif.

BEKIJK DEZE STAP - 29:30

STAP 6 VAN 7

Layer the embossed cross onto black cardstock, then onto pink cardstock, and finally onto white cardstock to create depth and dimension for your card front.

BEKIJK DEZE STAP - 30:00

STAP 7 VAN 7

Position the lily flower element on the card front, offsetting it to one side of the cross design. This adds a decorative floral embellishment to complement the sympathy theme.

TIPS UIT DE SHOW

- The cross does not have to be used only for sympathy; it works beautifully for Christmas if you colour it poinsettia-style.
- The debossed side is equally beautiful and can be used as an alternative design.
- You can hide the cross and use it as background detail by layering other embellishments over it.
