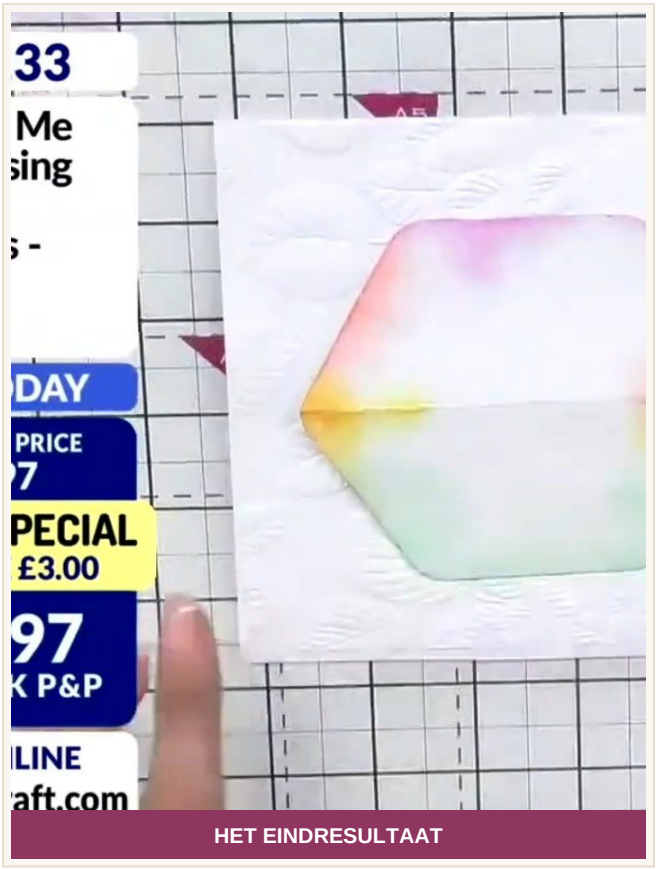
EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 28 MEI 2023



HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant nature-inspired card featuring embossed leaves with a delicate watercolour wash. Using the Into the Forest embossing folder, you'll create raised leaf patterns on white cardstock, then enhance them with subtle colour before layering onto a card base with a coordinating sentiment. The result is a sophisticated card with beautiful texture and soft, natural tones.
