

Geëmbosste kaart met luchtballon in aquarel

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 28 MEI 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning greeting card featuring a hot air balloon embossed on black cardstock and brought to life with watercolour techniques. The embossed design creates beautiful texture and dimension, which you'll enhance using dry brushing and vibrant watercolours in blues, pinks, yellows and greens. This technique combines embossing with painting to produce a striking, professional-looking card perfect for any occasion.
