

Space Scene Monster Card with Embossed Background

EEN PROJECT UIT ONZE LIVESHOW - MONDAY MADNESS - 22 MEI 2023

OVER DIT PROJECT

Create a striking 7x7 inch card featuring adorable monster characters set against a cosmic background. This project combines stamped and embossed planets with watercoloured alien landscapes in vibrant purples, pinks, yellows and blues. The design uses layering techniques to build depth, with textured backgrounds and dimensional character placement creating an eye-catching 'out of this world' scene.

TIPS UIT DE SHOW

- You can rearrange the planet stamps before inking to get the composition you want.
- Use a heat gun to quickly dry watercoloured areas before moving to the next step.
- The die cuts make it much easier than fussy cutting by hand.
